

Touchstone Exploration Inc.
2023 Annual and Special Meeting of Shareholders
Notice-and-Access Notification to Shareholders

You are receiving this notification because Touchstone Exploration Inc. ("**Touchstone**", "**we**", "**our**", "**us**" or the "**Company**") has chosen to use the notice-and-access model for the delivery of meeting materials to our holders of common shares. Under notice-and-access, shareholders still receive a form of proxy or voting instruction form enabling them to vote at our 2023 annual and special meeting of shareholders (the "**Meeting**"). However, instead of receiving a paper copy of our management information circular dated May 17, 2023 (the "**Information Circular**") and our financial statements and related management's discussion and analysis for our most recently completed financial year (the "**Financial Information**"), shareholders receive this notice with information on how to access such materials electronically. Using notice-and-access to deliver Meeting materials is more environmentally friendly and reduces printing and mailing costs.
